Grants Acquisition
Your simpler path to success

Take control of a significant source of income. Manage every step in the grants process, from sourcing to reporting. Identify funding opportunities, manage deadlines, coordinate responses and improve your chances of success.

Manage every step in the grants acquisition process and provide visibility across your grants portfolio.

Overview

Grants Acquisition allows you to centrally record grant information, manage deadlines and coordinate resources and responses to provide better outcomes for your organisation, community and customers.

Improve efficiency and effectiveness of applications
Ensure applications are accurate, compliant and compelling. Analyse and capture relevant information pertaining to an application before submitting information electronically. Set up deadline reminders, track the status of applications and update submissions.

Maximise available grant revenue
Ensure recurring grants are applied for with automated alerts and emails. Improve the quality of grant applications with a standardised, structured approach. Gain visibility of the revenue stream with dashboards and reports over potential, awarded and unsuccessful grant applications.

Manage incoming grants
Remove manual processing in spreadsheets or in-house databases by providing a single source of truth for a grant lifecycle. Standardise the grant process, monitor internal approvals and track progress.

Manage acquittals with ease
Easily complete financial acquittals and meet reporting requirements. Never miss an acquittal date with automated reminders and escalations.

Optimise financial management
Link grants to accounts receivable and payable, as well as supporting other financial operations to streamline administration and funds management.

Grants Acquisition enables you to...

- Electronically prepare, track and update funding applications

- Easily report on acquittals

- Maintain visibility over statistics regarding potential, awarded and unsuccessful funding applications

- Access all grant information from a centralised register

- Optimise funds administration and management

- Manage the entire lifecycle of incoming grants from initial awareness of funding available, through application to final acquittal

- Seamlessly share and use data within the TechnologyOne suite

- Use dashboards to easily see how your grants are tracking

- Never miss an acquittal date with automated reminders and email alerts

Our enterprise software enables access from any device, any where, any time; and either on premise or via the TechnologyOne Cloud.

Our approach

Transforming business, making life simple

(Market Focus & Commitment · Power of One · Enterprise Vision · Power of Evolution · Simplicity, not Complexity)

Our enterprise vision

The power of a single, integrated enterprise solution

Experience the power of a single, integrated enterprise solution built on a single modern platform with a consistent look and feel.

Market focus and commitment

Preconfigured enterprise software solutions reduce time, cost and risk

A deep understanding and engagement with our seven key markets means we can deliver to our customers integrated, preconfigured solutions that provide proven practice, streamline implementations and reduce time, cost and risk.

The power of one

One vision. One vendor. One experience.

When you invest in a TechnologyOne solution you benefit from a direct relationship with us every step of the way. We do not use implementation partners or value-added resellers. We take complete responsibility for building, marketing, selling, implementing, supporting and running our enterprise solution for each customer to guarantee long-term success.

The power of evolution

An enterprise solution that adapts and evolves

Substantial investment into R&D each year means we provide our customers a strong, continuing competitive advantage through an enterprise solution that adapts and evolves by embracing new technologies, concepts and innovation.

Simplicity, not complexity

Enterprise software, incredibly simple

Software that embraces consumer concepts and expectations to deliver solutions that are incredibly easy to use and remove complexity.
